

[002]        FIELD OF THE INVENTION

[003]        The present invention concerns a multistage, automatic transmission with at least three individual planet gear sets and at least five shifting elements, all in accord with the principal concept of patent claim 1.

[004]        BACKGROUND OF THE INVENTION

[010]        ~~—— In accord with the invention, the purpose is achieved by means of a multistage automatic transmission, having the features of the patent claim 1. Advantageous embodiments and improvements of the invention may be inferred from the subordinate claims.~~

[011]        SUMMARY OF THE INVENTION

[027]        BRIEF DESCRIPTION OF THE DRAWINGS

[028]        ~~In the following t~~ The invention is shown in greater detail and explanation with the aid of the Figures, wherein similar elements are also designated by the same reference number. There is shown in will now be described, by way of example, with reference to the accompanying drawings in which:
